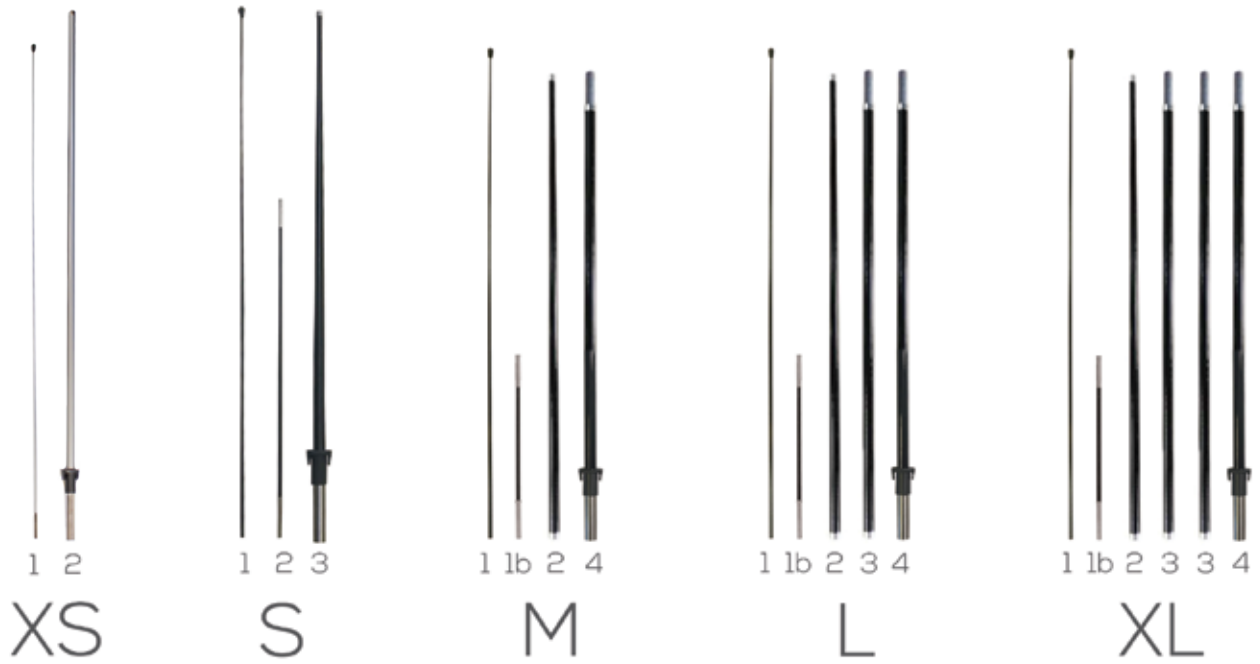
SET UP INSTRUCTIONS



A. Flag poles are numbered for easy assembly. Follow guide above for assembly order
(Note: Medium flagpole can convert to Large and X-Large size by adding additional pole #3's)
(Note: Small flagpole can be converted to X-Small by removing pole #2)
B. Insert tip of flagpole into the black pocket trim on the flag and push it all the way to the end of the pocket.
C. Secure flag by lacing the bungee through the grommets on the pocket trim and tethering it to the hook at the base of the pole.
D. Insert pole into desired base to display flag.

Spike Base
Insert the pointed end of the spike base into the ground. Insert the post with rubber grommets into the opening on bottom of the flagpole to display flag.

X-Base
Unfold legs and insert the post with rubber grommets into the opening on bottom of the flagpole to display flag. A water bag can be added for added stability.
